

Minutes from the 7th regular meeting of the Joint Working Group
held on 09-10-2007,
from 10.00am – 12:00am
in the room 521 of the SIV3

Present: Valentina Mileusnic (WD), Claus Heuberger, Christian Ebel, Matthias Löw (STE),
Ivana Ivkovic, Jovana Nastasijevic

Absent members of JWG: Milica Nadezdic (RHMS) was not informed (malfunction of internet, had not received the invitation nor the confirmation?); Arpad Varga (Srbijavode) on vacation, Nenad Stefanovic (Vode Vojvodine) on sick leave, no info about the reasons of absence of Mrs. Olivera Grozdic (WD).

Due to the unexpected absence of the majority of the group members, present members have agreed that the only topic of this JWG meeting should be the finalisation of the activity concerning collecting questionnaire on water issues, i.e. the fulfilling the promise of delivering the prizes for participants. For that purpose, three monographies about Danube have been bought earlier and the papers with numbers for lottery prepared. The final step, as agreed, was the internal "lottery", whereby three "winners" were randomly selected by the STE Mr. Loew.

The following participants in the questionnaires were selected:

1. No 97, Pavle Trninic – child from Zemun
2. No 111, Milan Jonovic, pensioner from Crnajka village
3. No 99, Mirjana Mikulovic, from Donji Milanovac (if she could be found via telephone service, since she didn't provide enough data)

Two more persons were selected additionally as a reserve if selected persons could not be contacted due to the absence of their complete contact data:

1. No 123, Branka Nastasijevic, from Donji Milanovac – employee of HE plant Iron Gate
2. No 81, Natasa Simovic.

The team has agreed upon the date of the next JWG, whereby the remaining issues from today's agenda will be addressed, with the participation of the rest of the JWG participants.

The new date for the JWG meeting decided upon was: 6th November, 2007.
